WISH LIST

Women come to us in utter desperation. They come alone, at night, in the cold. They come without cash or clothes or toothpaste. They bring babies with no diapers, kids with no shoes and hearts with no hope.

With your help we can give these women the small things that restore their dignity while they stay with us and learn to heal.

Donations can be dropped off Monday – Friday, 9 am – 12 noon, but please call ahead to arrange your delivery. 519-271-5310 ext. 31. Also, we are most grateful for your donations, but please no drop-offs on weekends.

Thank you for your generosity!
